The Illinois Association of Regional Superintendents of Schools is holding its annual **Raising Student Achievement Conference**. (RSAC) at Pheasant Run in St. Charles, Illinois on December 5 & 6, 2011. The conference offers teachers and administrators from Illinois and neighboring states professional development opportunities providing them with strategies and information that address the issue of increasing the achievement levels of all students. Attendance for the past five years has averaged approximately 1,000 educators per day.

RSAC is looking for companies that would like to become a conference sponsor. Several levels of sponsorship are available. Enclosed please find information detailing the various levels of sponsorship. We hope that your company will consider becoming a conference sponsor supporting quality education for all students.

Feel free to contact us by phone at 815-921-8474 or by e-mail (see below) if you have any questions. We would like to have all sponsorship commitments no later than October 21, 2011.

Sincerely,
