

December 7 & 8, 2009

## Are You Concerned About Quality Education?

### Become a Sponsor 2009 Raising Student Achievement Conference

[www.roeachievementconference.org](http://www.roeachievementconference.org)

To help schools and teachers meet the federal government's requirements of No Child Left Behind, the Illinois Association of Regional Superintendents of Schools will hold its annual **Raising Student Achievement Conference**. (RSAC) at Pheasant Run in St. Charles, Illinois on December 7 & 8, 2009. The conference offers teachers and administrators from Illinois and neighboring states professional development opportunities providing them with strategies and information that address the issue of increasing the achievement levels of all students. Attendance for the past four years has averaged approximately 1,000 educators per day.

RSAC is looking for companies that would like to help us in our goal of improving achievement for all children by becoming a conference sponsor. Several levels of sponsorship are available. Enclosed please find information detailing the various levels of sponsorship. Please look over the enclosed materials and contact us by phone at 815-921-8474 or by e-mail (see below) if you have any questions. We would like to have all sponsorship commitments no later than October 23, 2009.

We hope that your company will consider becoming a conference sponsor supporting quality education for all students.

Sincerely,

Donnette Nailor, Sponsor Chair  
Barb Jaquet, Conference Chair
