

EMPOWER PARENTS AND STUDENTS WITH ACCESS TO INFORMATION

Aspen Family and Student Portals

The screenshot displays the Aspen Family and Student Portals interface. At the top, there are navigation tabs for Pages, Family, Academics, Activities, and Calendar. Below this, there are sub-tabs for Classes, Reports, and Help. The main content area shows a class page for 'Abraham, Gianna - Spanish 8'. The page is divided into several sections: 'Details' (Course: SPAN 8, Teacher: Marina Hopper), 'Attendance Summary' (a table with columns for Days 1-4 and Year), and 'Average Summary' (a table with columns for Category, Weight, and Days 1-4). The 'Attendance Summary' table shows attendance for each day and the year. The 'Average Summary' table shows the average for each category and the overall average.

Days	1	2	3	4	Year
Present	0	0	0	0	0
Tardy	0	0	0	0	0
Absent	0	0	0	0	0

Category	Weight	1	2	3	4

Enable your administrators, parents and students to make informed decisions about student behavior, support and performance.

Administrators – Maintain Reliable Information

Aspen's Family Portal eliminates time-consuming, ineffective mass mailings by giving families read-only access to their own demographic data. Errors are quickly caught and corrected.

- Seamlessly integrate all student data
- Post the latest notices, announcements and newsletters online to keep your school community well-informed
- Customize data accessibility for class assignments, attendance, conduct and health visits

Support your strategy for administrative excellence and student success with the Aspen Student Information System, a state-of-the-art data platform from Follett Software. Aspen houses all of your data, so you can easily find it, report on it, analyze it and use it to the fullest extent. A single, web-based system means one system to learn and one system to maintain—and one place to go to find the resources you need. Because Aspen is completely customizable, you can modify it to look exactly the way you want it to look and do what your district and schools need it to do. Aspen provides all the tools you need to run your schools, including:

- System Administration
- State and Local Reporting
- Master Schedule Builder
- Teacher Gradebook
- Health Management
- Attendance and Conduct Records
- Professional Development
- Special Education
- Family and Student Portals
- Teacher Webpages

Parents - Simplify Logistics with a Single Family Login

Aspen's Family Portal makes a wide range of student data—including attendance, assignments, conduct incidents, grades, progress reports and report cards—available for parental review.

- Use a single family login to access academic information for all students
- Choose to receive email notifications when a conduct incident, attendance record or health visit is logged
- Color-code events on your calendar to quickly see how each child is doing
- Consolidate events for all of your children on one family calendar
- Address any potential issues or concerns before they become serious

Students - Stay In-the-Know on Everything "School"

Aspen's Family Portal gives each student real-time access to his or her own academic and activity information.

- Store student files, recommendation letters and homework assignments in your "virtual locker"
- Compare personal scores to the rest of the class
- Manage extracurricular sports and club activities
- Enter course requests online

"One click, I know exactly how my daughter's doing."
