**Econ Illinois invites you to register for our *Second Annual
K-12 Teacher Conference on Financial Literacy:
Resources for Teaching Economics and Financial
Literacy – As Easy as 1-2-3!***

The Conference will be held at the Federal Reserve Bank of Chicago, on Friday January 22, 2010. Registration is required; register via email only. **See left panel for registration dates and directions.**

Those registered will be contacted directly with confirmation information regarding your reservation. An email confirmation of registration must be received to ensure your reservation!

The Conference will be RICH with curriculum!

Each eligible teacher will receive up to \$100 worth of grade-specific financial literacy teaching materials!

Sessions will include the debut of **NEW 2010 Edition Lessons** from the Financial Fitness for Life Series, practices/curriculum that focus on **mathematics** as economic and financial literacy is infused, as well as the value-added session **Facing Your Financial Future (for teachers)** - which will provide instruction and resources to support your own financial success.

Conference format will offer general sessions as well as grade band specific sessions, bringing multi-level enrichment for all attendees!
